

Pie drive - Important Information!

Pie order forms are due back by Thursday 13th of July.

Return order forms to your service and complete payment with cash, or return them to the office at 20 Comerford Street Cowra, and pay using Eftpos. To pay using online banking, please gather the individual payments first and complete the payment to us in one transaction. Ensure that your name is included in the reference, so we know who has paid.

CECS Fundraising Account

BSB: 032-820

Acc No. 232452

Orders are **to be collected from the Mobile** (34 Grenfell Road Cowra, the driveway behind Cowra Veterinary Centre) **between 5.30pm-6.30pm on Tuesday 25th July**. If you cannot collect them during that date/time please contact us to make other arrangements.

About our Fundraiser

Cowra Early Childhood Services is a community based not-for-profit, which has provided services to our community for more than 50 years.

Due to the high demand for early childhood services in our community, Cowra Early Childhood Services is implementing a long-term plan, with the goal of addressing our community's need.

As many of you may know, we have secured a 10000 sq metre Crown Land Reserve in Short Street Cowra. We have recently applied for a Major Capital Works grant (fingers crossed!) so that we can establish a community preschool on this land, as our first stage of development and growth. This will provide for a permanent bricks and mortar community preschool facility, which our Mobile Service has paved the way for, through our services at Holmwood Public School and Cowra Rugby Club. All going to plan we hope to be operational by 2026. We will also be investing in our Cowra OOSH and Carinya services, with our long-term goal being for all of us to be together in one location over time – we call this Mawang. The word 'MAWANG' is the Wiradjuri word for All Together.

So far, our fundraising efforts have been supported by many of our families who took part in our Easter Fundraiser, where we raised almost \$2,500 for our project! To bring our plan to life we will need to continue raising funds, and we hope the community continues to support us in this endeavour. We thank you so much for your loyalty and support!
